## EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes

and/or additions be unacceptable to applicant, an amendment may be filed as provided

by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be

submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview

with Mr. Andrew Waxman on 9/27/07.

**The application has been amended as follows:**

The specification is amended to include the abstract provided in the attached facsimile

dated 10/18/07.

**Claim 13:** (Currently Amended) In a network environment having a server and a

terminal with a web browser running thereon remote from said server, a method of

doing at least one of (1) syntax checking and (2) loading and running a script or

program that has been passed via said browser to said server for syntax checking or

execution thereon, the method comprising:

the web browser, running on said remote terminal, receiving a first web page

from said server, the first web page including at least one fill-out form configured to

accommodate at any given moment via the at least one fill-out form an entirety of a set

of commands that are to be contained in a script or program;

the web browser receiving said set from a user;

the web browser making a request to said server, the request including said set

in the format of at least one common gateway interface (CGI) variable,

the request being configured to cause a server to run a CGI script that

operates upon the at least one CGI variable to do at least one of (1) checking the syntax

of said set and (2) loading said set as a script file or program file into memory and

executing said set, such a CGI script (1) calling a compiler or interpreter on the server

and passing thereto the set by which the set is compiled or interpreted and by which is

returned first output data of the set and (2) building a second web page that includes the

first output data;

the web browser receiving ~~at least a first version of a~~ the second web page from

said server ~~that includes results generated by said server doing at least one of the (1)~~

~~check for syntax and (2) execution of said set~~.

**Claim 14:** (Canceled).
